Richard Taylor

Prior to establishing his own consultancy, Safer Work Solutions, and becoming a member of The Safety Solutions Group, Richard held the position of Senior Consultant for the National Safety Council of Australia, and was the Principal Consultant for that organisation between 2000 and 2005.

Richard's industry experience is widespread. In addition, he has developed a variety of educational packages, including interactive workshops for Incident Investigation and OHS Auditing. His most recent (June 2009) presentation was to members of New Zealand's Electricity Engineers Association annual conference. Richard has also spoken at national and international conferences.
