

# Hitchcock Star Narrates the Meerkat Safety Culture Training

Toby Jones starred as Alfred Hitchcock in TV drama *The Girl*.

Toby Jones is a name you see often these days. A quick search online reveals why. His lengthy filmography and varying roles are more than impressive. He has been appearing in films steadily for twenty years, beginning when he played a valet in 1992 film *Orlando*.

Since then, he has been in a huge number of block-busters, including the Harry Potter series, *Snow White and the Huntsman*, and *Tinker Tailor Soldier Spy*. His most recent project, to portray the dark genius Alfred Hitchcock, included him sitting in make-up for four hours each day, while a team of artists applied a prosthetic face.

Toby Jones' transformation into Alfred Hitchcock is as drastic as the positive effects of using *All For One - The Meerkat Way* in safety training.

Thankfully, he took the time out of his busy schedule to narrate the safety culture video *All for One - The Meerkat Way*, and we feel very privileged to have worked with such a friendly and talented man.

Now a best-seller, *All For One* has been translated into 14 different languages, and is used by companies around the globe. Toby's voice is heard by thousands of people every week, in safety training emphasising the importance of teamwork and co-operation.

Meerkats have only survived in the Kalahari Desert because of their overwhelming safety instinct and complete awareness 100% of the time. *All For One - The Meerkat Way* has been proven to transform safety culture by using this same approach and drawing inspiration from nature.

These are just a few of the safety awards won by companies using *All for One - The Meerkat Way* in their training:

- European Industrial Gases Association Safety Award - BOC
- Best OHS Training Programme at the National Safety Awards of Excellence - AlphaPharm
- Worksafe Plan: Gold Award Winner - City of Belmont (Australia)
- Corporate Safety Award - Bovis Lend Lease
- Gypsum Safety Award - Lafarge Plasterboard UK

It is a fresh approach to safety, delivered beautifully by one of Hollywood's most versatile actors.
